

# AHA Research Work Plan - 2010

## Annual SIF Process

- 2009 Report informed the 2010-2012 AHA Research agenda and associated research questions
- In 2010, indicators will be repackaged into Chart Pack that forecasts short and long-term research implications
- Indicators Analysis feeds into AHA Strategic Plan (with the Environmental Scan, it informs the Planning Assumptions)

Lead: Kevin

## Answering AHA Top Research Questions

- Plan for answering all top research questions to be presented to AHA COR in March 2010
- Quarterly Collection and Synthesis reports
- Final Research Question Progress Report and recommendations for 2011 prioritization

Lead: Megan

## AHA Research Agenda Communication

- Communicate Research Agenda and progress answering questions to field through HRET Web site, Health Forum publications, AHA News Now, HRET Newsletter
- Communicate to AHA Executive Management Team, Board, COR, AHA employees
