

## Ryan Frazier

Ryan Frazier is Senior Advisor for Strategic Relations to the CEO of Denver-based Air Methods Corporation. Air Methods is the world leader in providing air medical critical care services with over 400 aircraft, thousands of flight nurses, paramedics, pilots, and mechanics serving 48 states in the U.S. Frazier leads the development and guides the implementation of Air Method's governmental, political, and coalition strategies. He shapes the aviation and health care delivery policies, research, and education used to advocate the company's interests and cultivate relationships with federal, state, and local governments and officials.

A native of Wilmington, NC, Ryan earned his B.A. from Columbia College, an M.S. in Organizational Leadership from Regis University. He was selected as a Gates Family Fellow of Harvard University's Kennedy School of Government Senior Executive Program.
