

Action Planning and Next Steps

What To Expect And How You Will Be Supported

Cohort 5
Learning Session 1

Janine Reisinger, MPH
Program Manager, HRET
American Hospital Association

Discussion

Now that you've learned more about the project:

- What are you excited to work on?
- What do you need to get started?
- What are key next steps and priorities for you?

Next Steps

- Identify project team members
- Work with team to identify an action plan to overcome challenges
- Accept calendar invites for future webinars
- Review newsletters for deadlines and upcoming events
- Participate as a team in onboarding webinars
- Consider how you will rollout training to staff
- Work with HRET Program Manager to complete Facility Action Plan
