

HIV Prevention in the United States: The Role of Hospitals

*Improving Public Health Infrastructure with Hospitals and Public Health:
A Cooperative Agreement Between the CDC/HRET/ATPM*

Primary Resources Catalog Updated 8/21/06

1. *Recommendations for HIV testing services for inpatients and outpatients in acute-care hospital settings.* Center for Disease Control and Prevention. Morbidity & Mortality Weekly Report Recommendations & Reports, 1993. **42**(RR-2): p. 1-6.
2. *Access of Medicaid recipients to outpatient care.[see comment].* New England Journal of Medicine, 1994. **330**(20): p. 1426-30.
3. *Hospital must notify third party if it suspects patient has HIV.* AIDS Policy & Law, 1996. **11**(13): p. 13.
4. *HIV prevention through early detection and treatment of other sexually transmitted diseases--United States. Recommendations of the Advisory Committee for HIV and STD prevention.* Morbidity & Mortality Weekly Report Recommendations & Reports, 1998. **47**(RR-12): p. 1-24.
5. *Substantial cost savings seen in delaying the onset of AIDS.* AIDS Policy & Law, 1999. **14**(20): p. 5.
6. *Adoption of protective behaviors among persons with recent HIV infection and diagnosis--Alabama, New Jersey, and Tennessee, 1997-1998.* MMWR. Morbidity and Mortality Weekly Report [NLM - MEDLINE], 2000. **49**(23): p. 512.
7. *Revised guidelines for HIV counseling, testing, and referral.* MMWR. Morbidity and Mortality Weekly Report [NLM - MEDLINE], 2001. **50 RR-19**: p. 1.
8. *Routinely recommended HIV testing at an urban urgent-care clinic--Atlanta, Georgia, 2000.* MMWR. Morbidity and Mortality Weekly Report [NLM - MEDLINE], 2001. **50**(25): p. 538.
9. *The HIV/AIDS Epidemic in the United States.* 2004, The Henry J. Kaiser Family Foundation.
10. *Fact Sheet: Continuing the Fight Against HIV/AIDS in America, O.o.t.P.* Secretary, Editor. 2006, White House.
11. *2006 Kaiser Family Foundation Survey of Americans on HIV/AIDS - Additional Findings: HIV Testing.* 2006, The Henry J. Kaiser Family Foundation.

12. 2006 Kaiser Family Foundation Survey of Americans on HIV/AIDS - Additional Findings: Opinions and Experiences of 18-25 Year-Olds. 2006, The Henry J. Kaiser Family Foundation.
13. Ahmad, K., *Reinforced prevention efforts for HIV*. The Lancet Infectious Diseases, 2004. **4**(1): p. 2.
14. Alpert, P.L., et al., *Factors associated with unrecognized HIV-1 infection in an inner-city emergency department*. Annals of Emergency Medicine, 1996. **28**(2): p. 159-64.
15. Anderson, J.E., J. Santelli, and C. Mugalla, *Changes in HIV-related preventive behavior in the US population: data from national surveys, 1987-2002*. [erratum appears in *J Acquir Immune Defic Syndr*. 2004 Apr 15;35(5):539]. Journal of Acquired Immune Deficiency Syndromes: JAIDS, 2003. **34**(2): p. 195-202.
16. Anglin, D. and C. Sachs, *Preventive care in the emergency department: screening for domestic violence in the emergency department*. Academic Emergency Medicine, 2003. **10**(10): p. 1118-27.
17. Anonymous, *Recommendations for HIV testing services for inpatients and outpatients in acute-care hospital settings*. MMWR. Morbidity and Mortality Weekly Report, 1993. **42**(8): p. 157.
18. Anonymous, *Emergency Department HIV Testing: Sounds Good, but. . .?* Academic Emergency Medicine, 2003. **10**(12): p. 1415.
19. Babcock Irvin, C., P.C. Wyer, and L.W. Gerson, *Preventive care in the emergency department, Part II: Clinical preventive services--an emergency medicine evidence-based review*. Society for Academic Emergency Medicine Public Health and Education Task Force Preventive Services Work Group. [see comment]. Academic Emergency Medicine, 2000. **7**(9): p. 1042-54.
